Industria

Units ranging from 197 to 14,358 sq ft, across a new iconic multi-storey industrial development totalling 102,840 sq ft

Units Available Now

Industria will set for sustainable ind

Set the new standard for flexible, multi-storey industrial workspace.

Multiple levels of flexibility.

Industria is a new generation of industrial development in London, bringing forward flexible industrial and commercial floorspace that has the community in mind at the core of it's development.

The scheme provides 45 new Industrial Warehouse and Creative Space units with great amenity space including a cafe, co-working lounge, meeting rooms and external break out space, specifically designed to bring local businesses together.

45 units comprising
of 20 Industrial
Warehouse units
and 25 Creative
Space units

197 sq ft smallest
unit size

5,217 sq ft largest
singular
unit size

3 goods lifts

1 vehicular ramp to
1st and 2nd floor

65 car parking
spaces

2 passenger lifts

Industria sets the standard for multi-storey development by providing a new best in class, market ready, ramped up industrial scheme in Barking.

This forward-thinking industrial development is a great example of the new intensified industrial product that will be coming forward in London to address the land supply constraints the city faces.

Ready for future workspace?

Industria provides 45 units in a range of sizes, with flexible lease terms available where businesses can adapt and grow within the development across multiple levels.

- Suitable for a diverse mix of local and national businesses including the creative, arts, media, advanced manufacturing, technology and food trades
- Suitable for E (industrial and research development processes), B2 and B8 use classes
- Vibrant amenity space, public café and co-working lounge allowing businesses to easily collaborate with occupiers and local companies
- Floor to ceiling windows with access from Long Reach Road allowing occupiers to trade directly with the public
- Collaborative Creative Space offering for SME's
